Profile

I am a french Maritime Engineering student at the University of Southampton. I am passionate about sailing and offshore racing, and plan to run a Mini 6.50 project to race the Mini Transat after graduating from University. To prepare for that I'm seeking opportunities to sail as much as possible and to race offshore. I am highly motivated, enthusiasitc and always happy to go on the water.

Sailing work experience

- Intern at Banque Populaire racing team on Ultim trimaran (2022)
- Volunteer boat preparator on MOD70 trimaran and Mini 6.50 (2024)
- Intern at SKAW Sailing on foiling Mini 6.50 Nicomatic (2025)
- Employee at FourthCape (Cowes)
- Intern at Beyou Racing on Charal 2 IMOCA (2026)
